Registered shareholders and proxyholders who have completed the Company’s virtual meeting advance registration process will be able to attend the Meeting via teleconference and vote. Non-registered shareholders who appoint themselves as proxyholder through their intermediary will be permitted to attend the Meeting via teleconference and vote. This procedure is in place to ensure that the Company and its transfer agent can verify the identity of any voting shareholder at

The Company and its transfer agent do not have a record of the Company's non-registered shareholders and, as a result, will have no knowledge of their shareholdings or entitlement to vote unless they appoint themselves as proxyholder. Please see "Appointment of Proxyholder" and "Revocability of Proxy" below.

In order to streamline the Meeting process, the Company encourages shareholders to vote in advance of the Meeting using the voting instruction form or the form of proxy mailed to them with the Meeting materials and submitting them by no later than 2:00 p.m. ET on June 24, 2020, the cut-off time for deposit of proxies prior to the Meeting.

Advance registration for the Meeting is required by emailing the following information to investors@krakenrobotics.com: (a) the name of the registered shareholder in which common shares of the Company are held; (b) the proxy control number given in respect of such common shares of the Company (unless the person is registering as a proxyholder); and (c) an email address and/or telephone number at which a Company representative may contact such shareholder in order to provide the Meeting ID number and passcode, or request additional information, as necessary.

The teleconference number will only be provided to shareholders and proxyholders who complete the virtual meeting advance registration process using the instructions provided above.

Please advise the Company of any change in your address.

MANAGEMENT PROXY CIRCULAR

**This Management Proxy Circular contains information as of May 19, 2020
(unless otherwise noted)**

PERSONS MAKING THIS SOLICITATION OF PROXIES

This Management Proxy Circular is furnished to you in connection with the solicitation of proxies by management of Kraken Robotics Inc. (“we”, “us” or the “Company”) for use at the 2020 Annual General and Special Meeting (the “Meeting”) of the shareholders of the Company to be held on June 26, 2020, for the purposes set forth in the accompanying Notice of Meeting, and at any adjournment thereof. The Company will conduct its solicitation primarily by mail and our officers, directors and employees may, without receiving special compensation, contact shareholders by telephone, electronic means or personal contact. We will not specifically engage employees or soliciting agents to solicit Proxies. We will pay the expenses of this solicitation.

VIRTUAL MEETING

To mitigate risks to the health and safety of the Company’s shareholders, management, directors, employees and other stakeholders during the COVID-19 pandemic, the Company will follow provincial and federal government guidance and hold this year’s Meeting in a virtual-only format.

Shareholders as of the close of business on May 19, 2020 (the “**Record Date**”) will have an equal opportunity to participate at the Meeting by teleconference, regardless of geographic location.

Registered shareholders and proxyholders who have completed the Company’s virtual meeting advance registration process will be able to attend the Meeting via teleconference and vote. Non-registered shareholders who appoint themselves as proxyholder through their intermediary will be permitted to attend the Meeting via teleconference and vote. Non-registered shareholders who have not duly appointed themselves as proxyholder will not be permitted to attend the Meeting. This procedure is in place to ensure that the Company and its transfer agent can verify the identity of any voting shareholder at the Meeting. The Company and its transfer agent do not have a record of the Company’s non-registered shareholders and, as a result, will have no knowledge of their shareholdings or entitlement to vote unless they appoint themselves as proxyholder. Please see “*Appointment of Proxyholder*” and “*Revocability of Proxy*” below.

In order to streamline the Meeting process, the Company encourages shareholders to vote in advance of the Meeting using the voting instruction form or the form of proxy mailed to them with the Meeting materials and submitting them by no later than 2:00 p.m. ET on June 24, 2020, the cut-off time for deposit of proxies prior to the Meeting.

Advance registration for the Meeting is required by emailing the following information to investors@krakenrobotics.com: (a) the name of the registered shareholder in which common shares of the Company are held; (b) the proxy control number given in respect of such common shares of the Company (unless the person is registering as a proxyholder); and (c) an email address and/or

telephone number at which a Company representative may contact such shareholder in order to provide the Meeting ID number and passcode, or request additional information, as necessary.

The teleconference number will only be provided to shareholders and proxyholders who complete the virtual meeting advance registration process using the instructions provided above.

It is the shareholders responsibility to ensure connectivity during the meeting and the Company encourages its shareholders to allow sufficient time to log in to the Meeting before it begins.

APPOINTMENT OF PROXYHOLDER

The persons named as proxyholders in the enclosed proxy (the “**Proxy**”) are the Company’s directors or officers (the “**Management Proxyholders**”). **As a shareholder, you have the right to appoint a person other than a Management Proxyholder to attend and act on your behalf at the Meeting. To exercise this right, you must either insert the name of your representative in the blank space provided in the Proxy and strike out the other names or complete and deliver another appropriate Proxy. A proxyholder need not be a shareholder.**

A Proxy will not be valid unless it is dated and signed by you or your attorney duly authorized in writing or, if you are a corporation, by an authorized director, officer, or attorney of the corporation.

COMPLETION AND VOTING OF PROXIES

Voting at the Meeting will be by verbal affirmation via teleconference, each shareholder having one vote, unless a ballot on the questions is required or demanded, in which case each shareholder is entitled to one vote for each share held. In order to approve a motion proposed at the Meeting, a majority of greater than 50% of the votes cast will be required (an “**ordinary resolution**”) unless the motion requires a special resolution (a “**special resolution**”) in which case a majority of two-thirds (2/3) of the votes cast will be required.

A shareholder or intermediary acting on behalf of a shareholder may indicate the manner in which the persons named in the enclosed Proxy are to vote with respect to any matter by checking the appropriate space. Shares represented by a properly executed Proxy will be voted or be withheld from voting on each matter referred to in the Notice of Meeting in accordance with your instructions on any ballot that may be called for and if you specify a choice with respect to any matter to be acted upon, the shares will be voted accordingly.

If you do not specify a choice and you have appointed one of the Management Proxyholders as proxyholder, the Management Proxyholder will vote in favour of the matters specified in the Notice of Meeting and in favour of all other matters proposed by management at the Meeting.

If you do not specify a choice and you have appointed other than one of the Management Proxyholders as proxyholder, the proxyholder may vote in his/her discretion for the matters specified in the Proxy.

If you or an intermediary acting on your behalf wishes to confer a discretionary authority with respect to any matter, then the space should be left blank. **IN SUCH INSTANCE, THE PROXYHOLDER, IF ONE PROPOSED BY MANAGEMENT, INTENDS TO VOTE THE SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.** The enclosed Proxy, when properly signed, also confers discretionary authority with respect to amendments or variations to the matters identified in the Notice of Meeting and with respect to other matters which may be properly brought before the Meeting. At the time of printing this Management Proxy Circular, our management is not aware that any such amendments, variations or other matters are to be presented for action at the Meeting. If, however, other

matters which are not now known to management should properly come before the Meeting, the persons named in the Proxy intend to vote on such other business in accordance with their best judgment.

The Proxy must be dated and signed by you or by your attorney authorized in writing or by the intermediary acting on your behalf. In the case of a corporation, the Proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation.

COMPLETED PROXIES TOGETHER WITH THE POWER OF ATTORNEY OR OTHER AUTHORITY, IF ANY, UNDER WHICH IT WAS SIGNED OR A NOTARIAL COPY THEREOF MUST BE DEPOSITED WITH THE COMPANY'S TRANSFER AGENT, COMPUTERSHARE INVESTOR SERVICES INC., OF 100 UNIVERSITY AVENUE, 8TH FLOOR, TORONTO, ONTARIO, M5J 2Y1, AT LEAST 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ADJOURNMENT THEREOF. UNREGISTERED SHAREHOLDERS WHO RECEIVED THE PROXY THROUGH AN INTERMEDIARY MUST DELIVER THE PROXY IN ACCORDANCE WITH THE INSTRUCTIONS GIVEN BY SUCH INTERMEDIARY. YOU MAY ALSO VOTE BY TELEPHONE AND INTERNET. PLEASE SEE THE PROXY FOR INSTRUCTIONS REGARDING TELEPHONE AND INTERNET VOTING.

ADVICE TO NON-REGISTERED HOLDERS OF COMMON SHARES

Only shareholders whose names appear on our records or validly appointed proxyholders are permitted to vote at the Meeting. Most of our shareholders are "non-registered" shareholders because their shares are registered in the name of a nominee, such as a brokerage firm, bank, trust company, trustee or administrator of a self-administered RRSP, RRIF, RESP or similar plan or a clearing agency such as CDS Clearing and Depository Services Inc. (a "Nominee"). If you purchased your shares through a broker, you are likely a non-registered shareholder.

Non-registered holders who have not objected to their Nominee disclosing certain ownership information about themselves to us are referred to as "NOBOs". Those non-registered shareholders who have objected to their Nominee disclosing ownership information about themselves to us are referred to as "OBOs".

In accordance with the securities regulatory policy, we will have distributed copies of the Meeting materials, being the Notice of Meeting, this Management Proxy Circular, and the Proxy directly to NOBOs and to the Nominees for onward distribution to OBOs.

Nominees are required to forward the Meeting materials to each OBO unless the OBO has waived the right to receive them. Shares held by Nominees can only be voted in accordance with the instructions of the non-registered shareholder. Meeting materials sent to non-registered holders who have not waived the right to receive Meeting materials are accompanied by a request for voting instructions (a "VIF"), instead of a Proxy. By returning the VIF in accordance with the instructions noted on it, a non-registered holder is able to instruct the registered shareholder (or Nominee) how to vote on behalf of the non-registered shareholder. VIF's, whether provided by the Company or by a Nominee, should be completed and returned in accordance with the specific instructions noted on the VIF.

In either case, the purpose of this procedure is to permit non-registered holders to direct the voting of the shares of the Company which they beneficially own. Non-registered holders should carefully follow the instructions set out in the VIF including those regarding when and where the VIF is to be delivered. **Should a non-registered holder who receives a VIF wish to attend the Meeting or have someone else attend on his/her behalf, the non-registered holder may request (in writing) to the Company or its Nominee, as applicable, without expense to the non-registered holder, that the non-registered holder or his/her nominee be appointed as proxyholder and have the right to attend and vote at the Meeting.**

NOTICE-AND-ACCESS

The Company is not sending the Meeting materials to shareholders using “notice-and-access”, as defined under NI 54-101.

REVOCABILITY OF PROXY

Any registered shareholder and NOBO who has returned a Proxy may revoke it at any time before it has been exercised. In addition to revocation in any other manner permitted by law, a registered shareholder and NOBO, his attorney authorized in writing or, if the registered shareholder or NOBO is a corporation, a corporation under its corporate seal or by an officer or attorney thereof duly authorized, may revoke a Proxy by instrument in writing, including a Proxy bearing a later date. The instrument revoking the Proxy must be deposited at the registered office of the Company, at any time up to and including the last business day preceding the date of the Meeting, or any adjournment thereof, or with the chairman of the Meeting on the day of the Meeting. OBOs who wish to change their vote must, at least 7 days before the Meeting, arrange for their Nominees to so act on their behalf.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

None of the directors or executive officers of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and the approval of the Company’s stock option plan, all described in this Management Proxy Circular.

Management proposes to nominate the persons named in the table below for election as directors. Management does not contemplate that any of the nominees will be unable to serve as a director. EXECUTIVE COMPENSATION

Compensation discussion and analysis

Compensation, Philosophy and Analysis

The primary objectives of the Company's executive compensation program is to attract, motivate and retain highly trained, experienced and committed executive officers who have the necessary skills, education, experience and personal qualities required to manage the Company's business for the benefit of its shareholders, and to align their success with that of the shareholders. The level of compensation paid to an executive is based on the executive's overall experience, responsibility and performance.

The Company's executive compensation program is comprised of two elements: (i) the payment of cash where appropriate; and (ii) long-term incentive compensation in the form of incentive stock options ("**Options**") pursuant to the Company's stock option plan (the "**Stock Option Plan**"). As the Company is generating revenues, salaries will be paid to its executive officers as determined by the Board. The Board will review both components in assessing the compensation of individual executive officers and the Company as a whole. Salary, which may be paid by way of consulting fees, is intended to provide current compensation, while Options are granted to encourage long-term commitment to the Company and to align the interests of those individuals with those of the Company's shareholders.

When determining executive compensation, the Board will review the compensation policies of companies engaged in similar businesses. Although the Company has not obtained any industry reports regarding compensation, at the appropriate time the Board will review publicly available information with respect to compensation paid to the executives of companies that are also engaged in businesses comparable to the Company.

The Board determines an appropriate amount of compensation for its executives, reflecting the need to provide incentive and compensation for the time and effort expended by the executives while taking into account the financial and other resources of the Company. The Board did not consider the implications of the risks associated with the Company's compensation practices; however, given the Company's size and nature of compensation provided to its executives in the last financial year, the Board does not view significant risk that would be likely to have a material adverse effect on the Company.

The duties and responsibilities of the CEO, COO, and CFO are typical of those of a business entity of the Company's size in a similar business and include direct reporting responsibility to the Board, overseeing the activities of all other executive and management consultants, representing the Company, providing leadership and responsibility for achieving corporate goals and implementing corporate policies and initiatives.

The Company has a compensation committee which did not meet during the most recently completed financial year. The full Board dealt with compensation matters during the most recently completed financial year and to the extent the discussions were held about an executive officer, the executive officer recused himself from such deliberations. The Company anticipates that the compensation committee will assume responsibility for decisions regarding compensation matters in the upcoming financial year.

Analysis of Elements

The Company's Stock Option Plan is intended to attract, retain and motivate officers and directors of the Company in key positions, and to align the interests of those individuals with those of the Company's shareholders. The Stock Option Plan provides such individuals with an opportunity to acquire a proprietary interest in the Company's value growth through the exercise of Options.

The Company considers the granting of Options to be a significant component of executive compensation as it allows the Company to reward each Named Executive Officer's efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Options are generally awarded to directors, officers, consultants and employees at the commencement of their appointment or employment with the Company and periodically thereafter. During the year ended December 31, 2019, the Company granted 6,155,000 Options, of which 1,700,000 were awarded to Company executives.

Risk Management

Executive compensation is comprised of short-term compensation in the form of a base salary and long-term ownership through the Company's Stock Option Plan. This structure ensures that a significant portion of executive compensation (Options) is both long-term and "at risk" and, accordingly, is directly linked to the achievement of business results and the creation of long-term shareholder value. As the benefits of such

compensation, if any, are not realized by officers until a significant period of time has passed, the ability of officers to take inappropriate or excessive risks that are beneficial to their short-term compensation at the expense of the Company and the shareholders is extremely limited. Furthermore, the short-term component of executive compensation (base salary) represents a relatively small part of the total compensation. As a result, it is unlikely an officer would take inappropriate or excessive risks at the expense of the Company or the shareholders that would be beneficial to their short-term compensation when their long-term compensation might be put at risk from their actions.

Risks, if any, may be identified and mitigated through Board meetings during which financial and other information of the Company are reviewed. No risks have been identified arising from the Company's compensation policies and practices that are reasonably likely to have a material adverse effect on the Company.

Hedging of Economic Risks in the Company's Securities

The Company has not adopted a policy prohibiting directors or officers from purchasing financial instruments that are designed to hedge or offset a decrease in market value of the Company's securities granted as compensation or held, directly or indirectly, by directors or officers. However, the Company is not aware of any directors or officers having entered into this type of transaction.

Long Term Compensation and Option Based Awards

The Company has no long-term incentive plans other than its Stock Option Plan which was last approved by shareholders at its annual general meeting on June 26, 2019. The Company's directors, officers, employees, and consultants are entitled to participate in the Stock Option Plan. The Stock Option Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management, directors, employees, and consultants. The Board determines the allocation and terms of any Option grants. When granting Options, the Board considers the amount of past Options which have been granted.

See "Particulars of Matters to be Acted Upon" for a description of the Stock Option Plan and the process the Company uses to grant options-based awards.

The Company's management is not permitted to purchase financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities of the Company granted as compensation or held, directly or indirectly, by management.

Pension Plan Benefits

The Company does not have in place any deferred compensation plan or pension plan that provides for payments or benefits at, following or in connection with retirement.

Termination and Change of Control Benefits

The Company has entered into executive employment agreements with each of its CEO, COO and CFO on July 15, 2019 (collectively, the “**Executive Employment Agreements**”), which contain substantially the same terms (except with respect to base salary and incentive eligibility) as set out below.

The Executive Employment Agreements have no fixed term and provide for an annual base salary, subject to annual review and increases at the discretion of the Board (see “Summary Compensation Table” for the salary for fiscal 2019 for each of Messrs. Kenny, Reid and MacKay). The Executive Employment Agreements also provide for short- and long-term incentive plan compensation conditioned upon the respective executive officer’s active employment with the Company on December 31st of the year for which such bonus amount may be payable or equity compensation may be granted. For Messrs. Kenny and Reid, the annual short-term incentive plan bonus is valued at an amount equal to between nil and 30% of the then-current base salary; for Mr. MacKay, the annual short-term incentive plan bonus is valued at an amount equal to between nil and 25% of the then-current base salary. For Messrs. Kenny and Reid, the annual long-term incentive award in any year of employment is valued at an amount equal to between nil and 70% of the then-current base salary; for Mr. MacKay, the annual long-term incentive award in any year of employment is valued at an amount equal to between nil and 50% of the then-current base salary.

In the event of termination of employment by the Company without cause, the Company will pay to the applicable executive officer (i) any unpaid base salary, and any expenses properly incurred by such executive officer in accordance with the applicable Executive Employment Agreement and which the executive officer is owed at the time of termination (the “**Accrued Salary and Expense Payment**”); and (ii) the greater of (A) the executive officer’s entitlements under the Newfoundland and Labrador Labour Standards Act (“**LSA**”) upon termination, including, without limitation, notice, severance (if applicable), vacation accrual and benefit continuation; or (B) one year of base salary at the executive officer’s then rate (the “**Termination Payment**”). The executive officer’s benefits in place prior to the termination date and vacation accrual shall continue throughout the applicable statutory notice period as established by the LSA.

Further, in the event of termination of employment by the Company without cause within 12 months immediately following the occurrence of a Change of Control (as defined below), in addition to the amounts noted above, the Company shall be liable to the executive officer for an amount equal to 1.5 times the executive officer’s base salary in effect at the time such notice of termination is given. For greater certainty, where the executive officer is entitled to payment due to termination following a Change of Control (as defined below), the payment required by this paragraph will be in addition to the Accrued Salary and Expense Payment but in lieu of and not in addition to the Termination Payment.

For purposes of the Executive Employment Agreements, “Change of Control” shall mean the occurrence of one of the following:

- (1) the issuance, acquisition or continuing ownership of the voting shares of the Company (or any subsidiaries thereof) as a result of which a person or group of persons (other than the executive officer and any person related to the executive officer) acting jointly or in concert (as defined in the *Securities Act* (Ontario)) or persons associated or affiliated within the meaning of the *Canada Business Corporations Act* with any such person or group of persons (other than the executive officer and any person related to the executive officer) acting jointly or in concert (as defined in the *Securities Act* (Ontario)), beneficially own voting shares of the Company (or any subsidiaries thereof) that would entitle the holders thereof to cast more than 50% of the votes attaching to all shares in the capital of the Company (or any subsidiaries thereof) that may be cast to elect directors of the Company (or any subsidiaries thereof); or
- (2) the exercise of the voting power of all or any of such voting shares (other than those owned or controlled by the executive officer and any person related to the executive officer) so as to cause or result in the election of less than a majority of the nominees of the management of the Company to the Board at any shareholders meeting at which an election of directors takes place after the occurrence of the event contemplated in paragraph (a) above; or
- (3) the sale, lease or transfer of at least 50% of the Company’s assets to any other person or persons other than to an affiliate that assumes all of the obligations of the Company in respect of the executive officer including the assumption of this Agreement; or

- (4) the entering into of a merger, amalgamation, arrangement or other reorganization by the Company (or any subsidiaries thereof) with another unrelated corporation resulting in a person or group of persons (other than the executive officer and any person related to the executive officer) acting jointly or in concert (as defined in the *Securities Act* (Ontario)) or persons associated or affiliated within the meaning of the *Canada Business Corporations Act* with any such person or group of persons (other than the executive officer and any person related to the executive officer) acting jointly or in concert (as defined in the *Securities Act* (Ontario)), beneficially owning voting shares of the Company (or any subsidiaries thereof) that would entitle the holders thereof to cast more than 50% of the votes attaching to all shares in the capital of the Company (or any subsidiaries thereof) that may be cast to elect directors of the Company (or any subsidiaries thereof).

The Executive Employment Agreements also include (i) non-solicitation and non-competition covenants in favour of the Company for 12 months following termination of the executive officer's employment with the Company; and (ii) non-disclosure covenants requiring the executive officer to maintain the confidentiality of the Company's confidential information and prohibiting its use other than on behalf of and for the benefit of the Company, both during employment and for an indefinite period thereafter.

CORPORATE GOVERNANCE

The Board believes that good corporate governance improves corporate performance and benefits all shareholders. National Policy 58-201 *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting issuers such as the Company. In addition, National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. The disclosure required by NI 58-101 is presented below.

The independent members of the Board are Moya Cahill, Larry Puddister, Shaun McEwan, and Michael Connor. The non-independent director is Karl Kenny, the Company’s President and CEO.

1. Board Mandate

The mandate of the Board, as prescribed by the Canada *Business Corporations Act*, is to manage or supervise management of the business and affairs of the Company and to act with a view to the best interests of the Company. In doing so, the Board oversees the management of the Company’s affairs directly and through its committees.

The Board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The Board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing the Company’s cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board also looks to management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

2. Directorships

None of the directors of the Company are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction.

3. Orientation and Continuing Education

The Board is responsible for providing orientation for all new recruits to the Board. Each new director brings a different skill set and professional background, and with this information, the Board is able to determine what orientation to the nature and operations of the Company’s business will be necessary and relevant to each new director. The Company provides continuing education for its directors as the need arises and encourages open discussion at all meetings, which format encourages learning by the directors.

4. Ethical Business Conduct

The Board relies on the fiduciary duties placed on individual directors by the Company’s governing corporate legislation and the common law to ensure the Board operates independently of management and in the best interests of the Company. The Board has found that these, combined with the restrictions placed by applicable corporate legislation on an individual directors’ participation in decisions of the Board in which the director has an interest, have been sufficient.

5. Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders. The Board takes into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee. The Board is responsible for recruiting new members to the Board and planning for the succession of Board members.

6. Compensation

The Board is responsible for determining all forms of compensation, including long-term incentive in the form of Options, to be granted to the CEO of the Company and the directors, and for reviewing the CEO's recommendations respecting compensation of the other officers of the Company, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of its officers, the Board considers: (a) recruiting and retaining executives critical to the success of the Company and the enhancement of shareholder value; (b) providing fair and competitive compensation; (c) balancing the interests of management and the Company's shareholders; (d) rewarding performance, both on an individual basis and with respect to operations in general; and (e) permitted compensation under Exchange policies.

7. Committees of the Board

The Board does not have any committees other than the Audit Committee and the compensation committee.

8. Assessments

The Board annually reviews its own performance and effectiveness as well as reviews the Audit Committee Charter and recommends revisions as necessary. Neither the Company nor the Board has adopted formal procedures to regularly assess the Board, the Audit Committee or the individual directors as to their effectiveness and contribution. Effectiveness is subjectively measured by comparing actual corporate results with stated objectives. The contributions of individual directors are informally monitored by the other Board members, bearing in mind the business strengths of the individual and the purpose of originally nominating the individual to the Board.

The Board monitors the adequacy of information given to directors, communication between the Board and management and the strategic direction and processes of the Board and its committees.

The Board believes its corporate governance practices are appropriate and effective for the Company, given its size and operations. The Company's corporate governance practice allows the Company to operate efficiently, with checks and balances that control and monitor management and corporate functions without excessive administrative burden.

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Incentive Stock Option Plan by Ordinary Resolution

The only equity compensation plan which the Company currently has in place is the Stock Option Plan, which was approved by shareholders on June 26, 2019. The Stock Option Plan was established to provide incentive to employees, directors, officers, management companies and consultants who provide services to the Company. The Exchange policies respecting the granting of Options require that all companies listed on the Exchange adopt a stock option plan and that any stock option plan that reserves a maximum of 10% of the issued and outstanding share capital of the Company at the time of grant (a “**Rolling Plan**”) must be approved and ratified by shareholders on an annual basis. Company management seeks shareholder approval for an amended and restated Rolling Plan as the Company’s 2020 stock option plan (the “**2020 Plan**”) in accordance with and subject to the rules and policies of the Exchange. The intention of management in proposing the 2020 Plan is to increase the proprietary interest of such persons in the Company and thereby aid the Company in attracting, retaining and encouraging the continued involvement of such persons with the Company.

The proposed amendments contained in the 2020 Plan are summarized as follows and are fully described in the “*Terms of the Plan*” section below. All other provisions of the 2020 Plan are consistent with the Stock Option Plan.

- An amendment to permit a ten (10) business day extension of the expiry date for an Option where the expiry date would otherwise fall during a Blackout Period (as defined below);
- Amendments allowing for the immediate vesting of previously issued Options upon the occurrence of a Change of Control (as defined in the 2020 Plan) and certain other events; and
- Certain clerical revisions to align provisions of the Stock Option Plan with current Exchange policies and the terms of the 2020 Plan.

Terms of the 2020 Plan

A full copy of the 2020 Plan is attached hereto as Schedule “B”. Shareholders may also obtain copies of the 2020 Plan from the Company prior to the Meeting on written request. The following is a summary of the material terms of 2020 Plan:

Number of Shares Reserved. The number of common shares reserved for issuance under the 2020 Plan is 10% of the number of common shares outstanding at any given time.

Administration. The 2020 Plan is to be administered by the Board or by a committee to which such authority is delegated by the Board from time to time.

Eligible Persons. The 2020 Plan provides that Options may be issued only to directors, officers, employees and consultants and management company employees of the Company or of any of its affiliates or subsidiaries. Such persons and entities are referred to herein as “**Eligible Persons**”.

Board Discretion. The 2020 Plan provides that, generally, the number of shares subject to each Option, the exercise price, the expiry time, the extent to which such Option is exercisable and other terms and conditions relating to such Options shall be determined by the Board or any committee to which such authority is delegated by the Board from time to time.

Maximum Term of Options. Options granted under the 2020 Plan will be for a term not exceeding ten years from the date of grant.

Maximum Options per Person. The number of shares reserved for issuance to any one Option holder pursuant to Options granted under the 2020 Plan during any twelve month period may not exceed 5% (or, in the case of a consultant, 2%) of the outstanding shares of the Company at the time of grant. The number of shares reserved for issuance to consultants and employees who are engaged in investor relations activities is limited to an aggregate of 2% of the outstanding shares of the Company at the time of grant and must vest in stages over a period of 12 months, with no more than $\frac{1}{4}$ of those Options vesting in any three month period.

No Assignment. The Options may not be assigned or transferred.

Termination Prior to Expiry. If an optionee ceases to be a director, officer, employee or consultant for any reason other than death, then such optionee's Option will terminate within a reasonable period to be determined by the administrator of the 2020 Plan (the "**Exercise Period**") commencing on the effective date the optionee ceases to be employed by or provide services to the Company (but only to the extent that such Option has vested on or before the date the optionee ceased to be so employed or provide services to the Company) as provided for in the written option agreement between the Company and the optionee, and all rights to purchase shares under such Option will expire as of the last day of such Exercise Period, provided however that the maximum Exercise Period shall be six (6) months, unless the optionee has entered into a valid employment or consulting agreement that provides for a longer Exercise Period, but in no case shall the Exercise Period be greater than one (1) year unless prior Exchange approval has been given. If an Option holder dies, the Options of the deceased Option holder will be exercisable by his or her estate for a period not exceeding 12 months or the balance of the term of the Options, whichever is shorter.

Exercise Price. Options granted under the terms of the 2020 Plan will be exercisable at a price which is not less than the Discounted Market Price (as defined in Exchange policies), or such other minimum price as is permitted by the Exchange in accordance with its policies from time to time.

Full Payment for Shares. The Company will not issue shares pursuant to Options granted under the 2020 Plan unless and until the shares have been fully paid for. The Company will not provide financial assistance to Option holders to assist them in exercising their Options.

Reduction of Exercise Price. The exercise price of Options granted to Insiders (as defined in Exchange policies) may not be decreased without disinterested shareholder approval (as described above).

Blackout Periods. Should the expiry date for an Option fall within an interval of time during which the Company has determined that one or more Option holders may not trade any securities of the Company because they may be in possession of undisclosed material information pertaining to the Company, or when in anticipation of the release of quarterly or annual financials, to avoid potential conflicts associated with the Company's insider-trading policy or applicable securities legislation (a "**Blackout Period**"), the expiry date for such Option shall be automatically extended without any further act or formality to that day which is the tenth (10th) business day after the end of the Blackout Period.

Acceleration of Vesting. Upon the occurrence certain transactions including but not limited to an amalgamation, merger, arrangement or other reorganization, the terms of any outstanding Options shall be adjusted in accordance with the 2020 Plan. Upon the occurrence of a Change of Control (as defined in the 2020 Plan) or take-over, the vesting terms of all outstanding Options shall be accelerated and all Options will become immediately exercisable for common shares.

Amendment of the 2020 Plan by the Board. Subject to the policies of the Exchange and to the prior receipt of any necessary regulatory approval, the Board may in its absolute discretion, amend or modify the 2020 Plan or any Option granted as follows: (i) it may make amendments which are of a typographical,

grammatical or clerical nature only; (ii) it may change the vesting provisions of an Option granted hereunder; (iii) it may make amendments necessary as a result in changes in securities laws applicable to the Company; (iv) if the Company becomes listed or quoted on a stock exchange or stock market senior to the Exchange, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and (v) amend the 2020 Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Option holders (before a particular Option is granted) subject to the other terms hereof.

Amendment of the 2020 Plan Requiring Disinterested Shareholder Approval. Unless approved by a majority of the votes cast at a duly constituted shareholders' meeting, excluding votes attaching to securities beneficially owned by Insiders (as defined in Exchange policies) to whom shares may be issued pursuant to the 2020 Plan, and their Associates (as defined in the 2020 Plan) approval is obtained, under no circumstances will the 2020 Plan, together with all of the Company's other previously established and outstanding stock option plans or grants, be amended at any time to result in: (i) the number of common shares reserved for issuance under Options granted to Insiders (as defined in Exchange policies) exceeding 10% of the outstanding common shares of the Company at the time of granting the Options; (ii) the grant to Insiders (as defined in Exchange policies), within a 12 month period, of a number of Options exceeding 10% of the outstanding common shares at the time of granting the Options; (iii) the issuance to any one Option holder, within a 12 month period, of a number of common shares exceeding 5% of the outstanding common shares of the Company at the time of granting the Options; (iv) a change in the termination provision of an Option granted hereunder; or (v) any reduction in the exercise price of Options granted to any person who is an Insider (as defined in Exchange policies) at the time of the proposed reduction.

Termination of Plan. The 2020 Plan will terminate pursuant to a resolution of the Board or the Company's shareholders.

The 2020 Plan has been conditionally approved by the Board and the Exchange, subject to approval by shareholders at the Meeting by way of an ordinary resolution in the following form (the "**Stock Option Plan Resolution**"):

"BE IT RESOLVED, as an ordinary resolution, that:

1. The Company's 2020 stock option plan be ratified and approved;
2. The Board of Directors be authorized on behalf of the Company to make any further amendments to the 2020 stock option plan as may be required by regulatory authorities, without further approval of the shareholders of the Company, in order to ensure adoption of the 2020 stock option plan;
3. The Company file the 2020 stock option plan with the TSX Venture Exchange for acceptance; and
4. Any one director or officer of the Company is authorized and directed to do all such acts and things and to execute and deliver all such deeds, documents, instruments and assurances as in his opinion may be necessary or desirable to give effect to this resolution."

Recommendation of Directors

The Company's Board unanimously recommends that shareholders vote for the Stock Option Plan Resolution.

In order to be effective, the Stock Option Plan Resolution must be approved by a majority (50%) of the votes cast by shareholders who vote in respect of the Stock Option Plan Resolution.

Unless the shareholder has specified in the enclosed Proxy that the shares represented by such Proxy are to be voted against the Stock Option Plan Resolution, the persons named in the enclosed Proxy will vote FOR the Stock Option Plan Resolution.

Share Consolidation

Shareholders are being asked to consider and, if thought advisable, to approve the special resolution set out herein (the “**Consolidation Resolution**”) authorizing an amendment to the Company’s articles to consolidate its issued and outstanding common shares (the “**Share Consolidation**”) at a ratio of between two (2) and seven (7) pre-consolidation common shares for every one post-consolidation common share, as may be determined by the Board in its sole discretion (the “**Consolidation Ratio**”). Subject to the approval of the TSX Venture Exchange (“**TSXV**”), approval of the Consolidation Resolution by shareholders would give the Board the authority to implement the Share Consolidation and determine the exact Consolidation Ratio, in its sole discretion, at any time within one year of the date of shareholder approval of the Consolidation Resolution. The full text of the Consolidation Resolution approving the proposed Share Consolidation is set out below.

Although shareholder approval for the Share Consolidation is being sought at the Meeting, the Share Consolidation would become effective at a date in the future, if and when the Board of Directors consider it to be in the best interest of the Company to implement the Share Consolidation. Notwithstanding the approval of the proposed Share Consolidation by shareholders, the Board, in its sole discretion, may revoke the Consolidation Resolution and abandon the Share Consolidation without further approval by or prior notice to shareholders.

Reasons for the Share Consolidation

The Board believes that is in the best interests of the Company to have the authority to implement the Share Consolidation for the following reasons:

- (1) *Greater investor interest* – a higher post-consolidation share price could help generate interest in the Company among investors. A higher anticipated share price may (i) meet investing guidelines for certain institutional investors and investment funds that are currently prevented under their investing guidelines from investing in the common shares at current price levels; and (ii) allow investors to leverage their investment by meeting margin eligibility requirements;
- (2) *Potential listing on a more senior stock exchange* – a higher post-consolidation share price could help the Company meet the initial listing requirements of more senior stock exchanges in Canada and the United States in the event that the Company determines to pursue such a listing;
- (3) *Reduction of shareholder transaction costs* – shareholders may benefit from relatively lower trading costs associated with a higher share price. In circumstances where commissions are based on the number of shares traded, investors pay lower commissions to trade a fixed value of shares where the per share price is higher; and
- (4) *Improved liquidity* – the combination of increased interest from investors, a potential listing on a more senior stock exchange and potentially lower transaction costs could ultimately improve the trading liquidity of the shares.

There can be no assurance that any increase in the market price per common share or improved liquidity would result from the proposed Share Consolidation, that the Company will submit an application for listing on any more senior stock exchange or, if an application is made, that the Company will be successful at achieving such a listing.

Certain Risks Associated with the Share Consolidation

Certain risks associated with the Share Consolidation are as follows:

The Company's total market capitalization immediately after the proposed Share Consolidation may be lower than immediately before the proposed Share Consolidation

There are numerous factors and contingencies that could affect the common share price prior to or following the Share Consolidation, including the status of the market for the common shares at the time, the status of the Company's reported financial results in future periods, and general economic, geopolitical, stock market and industry conditions. Accordingly, the market price of the common shares may not be sustainable at the direct arithmetic result of the Share Consolidation and may be lower.

A decline in the market price of the common shares after the Share Consolidation may result in a greater percentage decline than would occur in the absence of a consolidation, and liquidity could be adversely affected following such consolidation

If the Share Consolidation is implemented and the market price of the common shares declines, the percentage decline may be greater than would occur in the absence of the Share Consolidation. The market price of the common shares will, however, also be based on the Company's performance and other factors, which are unrelated to the number of common shares outstanding.

While the Board believes that a higher share price may provide the benefits described above, the Share Consolidation may not result in a share price that will attract institutional investors or investment funds and may not be sufficient to list the shares on a more senior stock exchange. As a result, the liquidity of the common shares may not improve.

Furthermore, the liquidity of the common shares could be adversely affected by the reduced number of common shares that would be outstanding after the Share Consolidation.

The Share Consolidation may result in some shareholders owning "odd lots" of less than 100 common shares on a post-consolidation basis, which may be more difficult to sell, or require greater transaction costs per share to sell

The Share Consolidation may result in some shareholders owning "odd lots" of less than 100 common shares on a post-consolidation basis. "Odd lots" may be more difficult to sell, or require greater transaction costs per common share to sell, than common shares held in "board lots" of even multiples of 100 common shares.

Principal Effects of the Share Consolidation

The principal effects of the Share Consolidation would be:

- (1) *Reduction in number of common shares outstanding* – the number of common shares issued and outstanding will be reduced from 147,377,186 (as of the date of this Management Proxy Circular) to between approximately 21,053,883 and 73,688,593, depending on the Consolidation Ratio selected by the Board; and
- (2) *Adjustments to outstanding options and warrants* – the exercise price and the number of common shares issuable under the Company's outstanding options and warrants will be proportionately adjusted, based on the Consolidation Ratio selected by the Board, with any fraction rounded down to the nearest whole number.

The Board believes that shareholder approval of a range of potential Consolidation Ratios (rather than a single Consolidation Ratio) would provide the Board with maximum flexibility to react to then-current market conditions and achieve the desired results of the Share Consolidation. If the Consolidation Resolution is approved, the Share Consolidation would be implemented, if at all, only upon a determination by the Board that it is in the best interests of the Company at that time. In connection with any determination to implement the Share Consolidation, the Board will set the timing for such Share Consolidation and select the specific Consolidation Ratio from within the range of ratios set forth in the Consolidation Resolution, subject to receipt of all necessary regulatory approvals, including the approval of the TSXV. The Board's selection of the specific ratio would be based primarily on the price level of the common shares at that time and the expected stability of that price level. No further action on the part of shareholders would be required in order for the Board to implement the Share Consolidation.

If approved and implemented, the Share Consolidation will occur simultaneously for all the common shares and the Consolidation Ratio will be the same for all the common shares. Except for any variances attributable to fractional shares, the change in the number of issued and outstanding common shares that will result from the Share Consolidation will cause no change in the capital attributable to the common shares and will not materially affect any shareholder's percentage ownership in the Company, even though such ownership will be represented by smaller number of common shares.

In addition, the Share Consolidation will not materially affect any shareholder's proportionate voting rights. Each common share outstanding after the Share Consolidation will be fully paid and non-assessable and will entitle the holder to one vote per common share.

The Share Consolidation is subject to regulatory approval, including the approval of the TSXV. As a condition to the approval of the consolidation of shares listed for trading on the TSXV, the TSXV requires, among other things, that a TSXV listed issuer continue to meet the TSXV's "Continued Listing Requirements" after the Share Consolidation. In order for the Company to continue to meet the applicable Continued Listing Requirements, the Company must have at least 200 "public shareholders" (as defined under TSXV policies) holding a certain minimum number of common shares of the Company, each free of "resale restrictions" (as defined under TSXV policies), after completion of the Share Consolidation.

If the Board does not implement the Share Consolidation within one year from the date of shareholder approval of the Consolidation Resolution, the authority granted by the Consolidation Resolution to implement the Share Consolidation on these terms would lapse and be of no further force or effect. The Consolidation Resolution also authorizes the Board to elect not to proceed with, and abandon, the Share Consolidation at any time if it determines, in its sole discretion, to do so. No further approval by or prior notice to shareholders would be required in order for the Board to abandon the Share Consolidation.

Procedure for Implementing the Share Consolidation

If the Consolidation Resolution is approved by shareholders and the Board decides to implement the Share Consolidation, subject to TSXV approval, the Company will file articles of amendment with the Director appointed under the CBCA in the form prescribed by the CBCA to amend the Company's articles of amalgamation. The Share Consolidation will become effective on the date shown in the certificate of amendment issued by the Director appointed under the CBCA or such other date indicated in the articles of amendment.

Effect on Share Certificates

If the proposed Share Consolidation is approved by shareholders and implemented, registered shareholders will be required to exchange their share certificates representing pre-consolidation common shares for new share certificates representing post-consolidation common shares. Following the announcement by the Company of the Consolidation Ratio selected by the Board and the effective date of the Share Consolidation, registered shareholders will be provided with a letter of transmittal by the Company's

transfer agent to be used for the purpose of surrendering their certificates representing the then outstanding common shares to the transfer agent in exchange for new share certificates representing common shares after giving effect to the Share Consolidation. After the Share Consolidation, share certificates representing pre-consolidation common shares will: (i) not constitute good delivery for the purposes of trades of common shares post-consolidation; and (ii) be deemed for all purposes to represent the number of common shares to which the shareholder is entitled as a result of the Share Consolidation. No delivery of a new share certificate to a shareholder will be made until the shareholder surrenders its certificates representing the pre-consolidation common shares along with the letter of transmittal to the registrar and transfer agent of the Company in the manner detailed therein.

Effect on Non-Registered Holders

Non-registered holders holding their common shares through a bank, broker or other nominee should note that such banks, brokers or other nominees may have specific procedures for processing the Share Consolidation. If you hold your common shares with such a bank, broker or other nominee and if you have any questions in this regard, you are encouraged to contact your nominee.

No Fractional Shares to be Issued

No fractional common shares will be issued in connection with the Share Consolidation and, in the event that a shareholder would otherwise be entitled to receive a fractional common share upon the Share Consolidation, such fraction will be rounded down to the nearest whole number with no additional consideration.

No Dissent Rights

Under the CBCA, shareholders do not have dissent and appraisal rights with respect to the proposed Share Consolidation.

Shareholder Approval of Consolidation Resolution

At the Meeting, shareholders will be asked to pass the Consolidation Resolution in the following form:

“BE IT RESOLVED, as a special resolution, that:

1. The Company is hereby authorized to amend its articles of amalgamation to provide that:
 - (a) the authorized capital of the Company is altered by consolidating all of the issued and outstanding common shares of the Company without par value on the basis of a consolidation ratio to be selected by the Company’s board of directors, in its sole discretion, provided that (i) the ratio may be no smaller than one post-consolidation share for every two (2) pre-consolidation shares and no larger than one post-consolidation share for every seven (7) pre-consolidation shares, and (ii) the number of pre-consolidation shares in the ratio must be a whole number of common shares (the “**Consolidation Ratio**”);
 - (b) in the event that the consolidation would otherwise result in the issuance of a fractional share, no fractional share shall be issued and such fraction will be rounded down to the nearest whole number with no additional consideration; and
 - (c) the effective date of such consolidation shall be the date shown in the certificate of amendment issued by the Director appointed under the Canada Business Corporations Act (the “**CBCA**”) or such other date indicated in the articles of amendment provided that, in any event, such date shall be on any date prior to the date that is one year from the date of approval of this special resolution by shareholders;

2. the board of directors of the Company are hereby authorized to determine the Consolidation Ratio within the parameters prescribed in 1(a) above;
3. any officer or director of the Company is hereby authorized for and on behalf of the Company to execute, deliver and file all such documents, whether under the corporate seal of the Company or otherwise, and to do and perform all such acts or things as may be necessary or desirable in order to give effect to the foregoing special resolution, including, without limitation, the determination of the effective date of the consolidation and the delivery of articles of amendment in the prescribed form to the Director appointed under the CBCA, the execution, delivery or filing of any such document or the doing of any such act or thing being conclusive evidence of such determination; and
4. notwithstanding the foregoing, the directors of the Company are hereby authorized, without further approval of or notice to the shareholders of the Company, to revoke this special resolution at any time before a certificate of amendment is issued by the Director appointed under the CBCA.”

Recommendation of Directors

The Company’s Board unanimously recommends that shareholders vote for the Consolidation Resolution.

In order to be effective, the CBCA requires that the Consolidation Resolution be approved by a special resolution of the shareholders, being a majority of not less than two-thirds of the votes cast by shareholders present in person or by proxy at the Meeting.

Unless the shareholder has specified in the enclosed Proxy that the shares represented by such Proxy are to be voted against the Consolidation Resolution, the persons named in the enclosed Proxy will vote FOR the Consolidation Resolution.

A majority of the members of the Committee will constitute a quorum, and, subject to the limitations in this Part 3, all actions of the Committee will require the affirmative vote of members who constitute a majority of such quorum. Members of the Committee may vote on any matters affecting the administration of the Plan or the grant of Options pursuant to the Plan, except that no such member will act upon the granting of an Option to himself (but any such member may be counted in determining the existence of a quorum at any meeting of the Committee during which action is taken with respect to granting Options to him).

3.04 Terms of Options. The resolution of the Board, or the Committee if applicable, will specify the number of Shares that should be placed under option to each Optionee, the price per Share to be paid upon exercise of the Options, and the period during which such Options may be exercised.

3.05 Written Agreements. Every Option granted under this Plan must be evidenced by a written option agreement between the Company and the Optionee and, where not expressly set out in the agreement, the provisions of such agreement will conform to and be governed by this Plan. In the event of any inconsistency between the terms of the agreement and this Plan, the terms of this Plan will govern.

3.06 Regulatory Approvals. The Board will obtain all necessary regulatory approvals, which may be required under applicable securities laws or Exchange Policies. The Board will also take reasonable steps to ensure that no Options granted under the Plan, or the exercise thereof, violate the securities laws of the jurisdiction in which any Optionee resides.

3.07 Options granted under the Plan. For all Options granted to Directors, Officers, Employees, Consultants or Management Company Employees of the Company, each of the Company and the Optionee represents that the Optionee is a bona fide Director, Officer, Employee, Consultant or Management Company Employee, as the case may be.

PART 4**CONDITIONS GOVERNING THE GRANTING AND EXERCISING OF OPTIONS**

- 4.01 Exercise Price. The exercise price of an Option granted under this Plan must not be less than the Discounted Market Price, provided that if Options are granted within 90 days of a distribution by a prospectus, the minimum exercise price of those Options will be the greater of the Discounted Market Price and the per share price paid by the public investors for Shares acquired under the distribution.
- 4.02 Expiry Date. Each Option will, unless sooner terminated, expire on a date to be determined by the Board which will not exceed 10 years from the date the Option is granted.
- 4.03 Different Exercise Periods, Expiry Period on Termination, Prices and Number. The Board may, in its absolute discretion, upon granting Options under this Plan, specify different time periods during which an Option is exercisable, subject to Section 4.02 of the Plan, different time periods within which an Option will terminate following an Optionee ceasing to be a Director, Officer, Employee, or Consultant of the Company, and subject to the provisions of this Plan, designate different exercise prices and vesting provisions with respect to an Option.
- 4.04 Number of Shares. The number of Shares reserved for issuance to any one Optionee pursuant to Options granted under this Plan, together with any Shares reserved for issuance pursuant to Options granted to that Optionee during the previous 12 months must not exceed 5% of the issued and outstanding Shares at the time of granting of the Options, provided that the aggregate number of Options granted to each of the following categories of Optionee:
- (a) each individual Consultant; and
 - (b) Persons performing Investor Relations Activities on behalf of the Company;
- must not exceed 2% of the outstanding Shares at the time of grant unless the Exchange permits otherwise.
- 4.05 Death of Optionee. If an Optionee dies prior to the expiry of his Option, his heirs, administrators or legal representatives may, by the earlier of:
- (a) one year from the date of the Optionee's death (or such lesser period as may be specified by the Board at the time of granting the Option); and
 - (b) the expiry date of the Option;
- exercise any portion of such Option.
- 4.06 Expiry on Termination or Cessation. If an Optionee ceases to be a Director, Officer, Employee or Consultant for any reason other than death, then despite any other provision contained in this Plan, such Optionee's Option will terminate within a reasonable period to be determined by the Administrator (the "**Exercise Period**") commencing on the effective date the Optionee ceases to be employed by or provide services to the Company (but only

to the extent that such Option has vested on or before the date the Optionee ceased to be so employed or provide services to the Company) as provided for in the written option agreement between the Company and the Optionee, and all rights to purchase Shares under such Option will expire as of the last day of such Exercise Period, provided however that the maximum Exercise Period shall be six (6) months, unless the Optionee has entered into a valid employment or consulting agreement that provides for a longer Exercise Period, but in no case shall the Exercise Period be greater than one (1) year unless prior Exchange approval has been given.

- 4.07 Leave of Absence. Employment will be deemed to continue intact during any sick leave or other bona fide leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Optionee's right to reemployment is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Optionee's reemployment is not so guaranteed, then his employment will be deemed to have terminated on the ninety-first day of such leave.
- 4.08 Assignment. Subject to Section 4.05, all Options will be exercisable only by the Optionee to whom they are granted and will not be assignable or transferable.
- 4.09 Notice. An Option must be exercised only in accordance with the terms and conditions of the written option agreement under which it is granted and will be exercisable only by notice in writing to the Company at its principal place of business.
- 4.10 Payment. Subject to any vesting requirements described in each individual option agreement, Options may be exercised in whole or in part at any time prior to their lapse or termination. Shares purchased by an Optionee on exercise of an Option must be paid for in full at the time of purchase (i.e. concurrently with the giving of the requisite notice) by cash, wire transfer or other form of immediately available funds.
- 4.11 Share Certificate. As soon as practicable after due exercise of an Option, the Company will issue a share certificate evidencing the Shares with respect to which the Option has been exercised. Until the issuance of such share certificate, no right to vote or receive dividends or any other rights as a shareholder will exist with respect to the Shares, notwithstanding the exercise of the Option. No adjustment will be made for a dividend or other right for which the record date is before the date the share certificate is issued, except as provided in Part 6 hereof.
- 4.12 Vesting. Vesting of options will be at the discretion of the Board and unless otherwise determined by the Board on grant, the Options granted to an Optionee under this Plan will vest in full on the date of grant of such Options. Notwithstanding the foregoing, in accordance with the Exchange Policies, and subject to their approval to the contrary, Options granted to Consultants performing Investor Relations Activities must vest (and not otherwise be exercisable) in stages over a minimum of 12 months with no more than $\frac{1}{4}$ of the Options vesting in any 3 month period.
- 4.13 Hold Period. In addition to any resale restrictions under the Securities Act or other applicable legislation, all Options granted under this Plan where the exercise price is less than the Market Price and all Shares issued on the exercise of such Options (before the expiry of the hold period) will be subject to a four-month Exchange hold period from the date the Options are granted, and the option agreements and the certificates representing such Shares will bear the following legend:

“Without prior written approval of the Exchange and compliance with all applicable securities legislation, the securities represented by this certificate may not be sold, transferred, hypothecated or otherwise traded on or through the facilities of the TSX Venture Exchange or otherwise in Canada or to or for the benefit of a Canadian resident until ♦ [insert date].”

- 4.14 Individuals. Options may be granted only to an individual or to a company that is wholly-owned by an individual who is eligible for an Option grant. Only individuals who are Directors, Officers, Consultants or Employees may be granted Options. If the Optionee is a company, it must agree not to effect or permit any transfer of ownership or option of shares of the Company nor to issue further shares of any class in the company to any other individual or entity as long as the incentive Option remains outstanding, except with the written consent of the Exchange.
- 4.15 Extension of Options Expiring During Blackout Period. Should the expiry date for an Option fall within a Blackout Period, the expiry date for such Option shall be automatically extended without any further act or formality to that day which is the tenth (10th) Business Day after the end of the Blackout Period, such tenth Business Day to be considered the expiry date for such Option for all purposes under the Plan. Notwithstanding Section 8.01, the tenth Business Day period referred to in this Section 4.15 may not be extended by the Board.
- 4.16 Compliance with U.S. Securities Laws. As a condition to the exercise of an Option, the Board may require the Optionee to represent and warrant in writing at the time of such exercise that the Shares are being purchased only for investment and without any then-present intention to sell or distribute such Shares. At the option of the Board, a stop-transfer order against such Shares may be placed on the stock books and records of the Company and a legend, indicating that the stock may not be pledged, sold or otherwise transferred unless an opinion of counsel is provided stating that such transfer is not in violation of any applicable law or regulation, may be stamped on the certificates representing such Shares in order to assure an exemption from registration. The Board may also require such other documentation as may from time to time be necessary to comply with United States' federal and state securities laws. The Company has no obligation to undertake registration of Options or the Shares issuable upon the exercise of the Options.

PART 5

RESERVE OF SHARES FOR OPTIONS

- 5.01 Maximum Number of Shares Reserved Under Plan. The maximum aggregate number of common shares that may be reserved for issuance under the Plan at any point in time is 10% of the issued and outstanding Shares at the time Shares are reserved for issuance as a result of the grant of an Option, less any Shares reserved for issuance under stock options granted under share compensation arrangements other than this Plan, unless this Plan is amended pursuant to the requirements of the Exchange Policies, and, if applicable, the NEX policies.
- 5.02 Sufficient Authorized Shares to be Reserved. Whenever the Notice of Articles of the Company limit the number of authorized Shares, a sufficient number of Shares will be reserved by the Board to satisfy the exercise of Options granted under this Plan or

otherwise. Shares that were the subject of Options that have lapsed or terminated will thereupon no longer be in reserve and may once again be subject to an Option granted under this Plan.

PART 6

CHANGES IN SHARES

- 6.01 Alteration in Capital Structure. If there is any change in the Shares through or by means of a declaration of stock dividends of the Shares or consolidations, subdivisions or reclassifications of the Shares, or otherwise, the number of Shares available under the Plan, the Shares subject to any Option and the exercise price therefor shall be adjusted proportionately by the Board and, if required, approved by the Exchange, and such adjustment shall be effective and binding for all purposes of the Plan.
- 6.02 Effect of Amalgamation, Merger, Arrangement or other Reorganization. If the Company amalgamates, merges, enters into a plan of arrangement with or into another corporation, or completes any other reorganization, any Shares receivable on the exercise of an Option shall be converted into the securities, property or cash which the Optionee would have received upon such amalgamation, merger, arrangement or other reorganization if the Optionee had exercised the Option immediately prior to the record date applicable to such amalgamation, merger, arrangement or other reorganization, and the exercise price shall be adjusted proportionately by the Board and such adjustment shall be binding for all purposes of the Plan.
- 6.03 Acceleration on Change of Control. Upon the occurrence of a Change of Control, all Options shall become immediately exercisable, notwithstanding any vesting provisions to which such Options may be subject.
- 6.04 Determinations to be Binding. If any questions arise at any time with respect to the exercise price of an Option or number of Shares received upon exercise of such Option or other property deliverable upon exercise of an Option following an event referred to in this Part 6, such questions shall be conclusively determined by the Board, whose decisions shall be final and binding.
- 6.05 Effect of a Take-Over. If a bona fide offer (the “**Offer**”) for Shares is made to shareholders generally or to a class of shareholders which includes the Optionee, which Offer constitutes a take-over bid within the meaning of the Securities Act, the Company shall, immediately upon receipt of notice of the Offer, notify each Optionee of full particulars of the Offer, whereupon any Option held by an Optionee may be exercised in whole or in part, notwithstanding any vesting provisions to which such Options may be subject, by the Optionee so as to permit the Optionee to tender the Shares received upon such exercise.

PART 7

EXCHANGE’S RULES AND POLICIES APPLY

- 7.01 Exchange’s Rules and Policies Apply. This Plan and the granting and exercise of any Options under this Plan are also subject to such other terms and conditions as are set out from time to time in the Exchange Policies and in the rules, policies and regulations of any securities commission having jurisdiction and such rules and policies will be deemed to

be incorporated into and become a part of this Plan. In the event of an inconsistency between the provisions of such rules and policies and of this Plan, the provisions of the Exchange Policies and the rules, policies and regulations of the securities commissions will govern.

PART 8

AMENDMENT OF PLAN

- 8.01 Amendment of the Plan by the Board. Subject to Part 5, to the Exchange Policies and to the prior receipt of any necessary regulatory approval, the Board may in its absolute discretion, amend or modify the Plan or any Option granted as follows:
- (a) it may make amendments which are of a typographical, grammatical or clerical nature only;
 - (b) it may change the vesting provisions of an Option granted hereunder;
 - (c) it may make amendments necessary as a result in changes in securities laws applicable to the Company;
 - (d) if the Company becomes listed or quoted on a stock exchange or stock market senior to the Exchange, it may make such amendments as may be required by the policies of such senior stock exchange or stock market; and
 - (e) amend this Plan (except for previously granted and outstanding Options) to reduce the benefits that may be granted to Optionees (before a particular Option is granted) subject to the other terms hereof.
- 8.02 Amendment of the Plan Requiring Disinterested Shareholder Approval. Unless Disinterested Shareholder Approval is obtained, under no circumstances will this Plan, together with all of the Company's other previously established and outstanding stock option plans or grants, be amended at any time to result in:
- (a) the number of Shares reserved for issuance under Options granted to Insiders exceeding 10% of the outstanding Shares at the time of granting the Options;
 - (b) the grant to Insiders, within a 12 month period, of a number of Options exceeding 10% of the outstanding Shares at the time of granting the Options;
 - (c) the issuance to any one Optionee, within a 12 month period, of a number of Shares exceeding 5% of the outstanding Shares at the time of granting the Options;
 - (d) a change in the termination provision of an Option granted hereunder; or
 - (e) any reduction in the exercise price of Options granted to any person who is an Insider at the time of the proposed reduction.
- 8.03 Options Granted Under the Company's Previous Stock Option Plan. Any option granted pursuant to a stock option plan previously adopted by the Board which is outstanding at

the time this Plan comes into effect shall be deemed to have been issued under this Plan and shall, as of the date this Plan comes into effect, be governed by the terms hereof.

PART 9

WITHHOLDING TAX

9.01 Upon the exercise of an Option by an Optionee, the Company shall have the right to require the Optionee to remit to the Company an amount sufficient to satisfy any withholding obligations relating thereto under applicable tax legislation. Unless otherwise prohibited by the Board or by applicable law, satisfaction of the amount of the withholding obligations (the "Withholding Amount") may be accomplished by any of the following methods or by a combination of such methods as determined by the Company in its sole discretion:

- (a) the tendering by the Optionee of cash payment to the Company in an amount equal to the Withholding Amount; or
- (b) the withholding by the Company from the Shares otherwise due to the Optionee such number of Shares as it determines are required to be sold by the Company, as trustee, to satisfy the Withholding Amount (net of selling costs). By executing and delivering the option agreement, the Optionee shall be deemed to have consented to such sale and have granted to the Company an irrevocable power of attorney to effect the sale of such Shares and to have acknowledged and agreed that the Company does not accept responsibility for the price obtained on the sale of such Shares; or
- (c) the withholding by the Company from any cash payment otherwise due by the Company to the Optionee, including salaries, directors fees, consulting fees and any other forms of remuneration, such amount of cash as is required to pay and satisfy the Withholding Amount;

provided, however, in all cases, that the sum of any cash so paid or withheld and the fair market value of any Shares so withheld is sufficient to satisfy the Withholding Amount.

The provisions of the option agreement shall provide that the Optionee (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan and an acknowledgement that neither the Board nor the Company shall make any representations or warranties of any nature or kind whatsoever to any person regarding the tax treatment of Options or payments on account of the Withholding Amount made under the Plan and none of the Board, the Company, nor any of its employees or representatives shall have any liability to an Optionee (or its beneficiaries) with respect thereto.

PART 10**MISCELLANEOUS PROVISIONS**

- 10.01 Other Plans Not Affected. This Plan will not in any way affect the policies or decisions of the Board in relation to the remuneration of Directors, Officers, Employees, Consultants and Management Company Employees.
- 10.02 Effective Date of Plan. This Plan will become effective upon the later of the date of acceptance for filing of this Plan by the Exchange and the approval of this Plan by the shareholders of the Company (i.e. by the holders of a majority of the Company's securities present or represented, and entitled to vote at a meeting of shareholders duly held) including, if applicable, Disinterested Shareholder Approval. However, Options may be granted under this Plan prior to the receipt of approval of the Exchange or the shareholders, provided that any Option granted before Exchange or shareholder approval is obtained, may not be exercised until the required approvals are obtained.
- 10.03 Use of Proceeds. Proceeds from the sale of Shares pursuant to the Options granted and exercised under the Plan will constitute general funds of the Company and may be used for general corporate purposes.
- 10.04 Headings. The headings used in this Plan are for convenience of reference only and will not in any way affect or be used in interpreting any of the provisions of this Plan.
- 10.05 No Obligation to Exercise. Optionees are under no obligation to exercise Options granted under this Plan.
- 10.06 Termination of Plan. This Plan will only terminate pursuant to a resolution of the Board or the Company's shareholders.
