Accountant

Based at Kraken Robotics Newfoundland or Nova Scotia, Canada location.
Full-Time – Permanent | Job Reference: KRSI-2024-24

ROLES AND RESPONSIBILITIES

Kraken is seeking an Accountant to join our Finance Team. The Accountant will report to the Financial Controller, while working closely with the whole finance department on the scope of duties. The successful candidate is someone who can adapt quickly to business needs, is able to work in a fast-paced, deadline-driven, team environment, and is interested in contributing to the direction of future Kraken finance department.

Key Responsibilities:

- Assist in daily general accounting functions
- Assist in completion of month end, quarter end, and year end activity for local and international subsidiaries including determining required month-end adjustments, and prepare intercompany billings
- Assist in the consolidation process for quarterly and year end activities including preparation of schedules and working papers
- Review and prepare general ledger account reconciliations, accruals, supporting schedules and variance analysis
- Assist with accounting processes and implementing internal accounting controls to ensure accuracy and timeliness in both general and inventory accounting functions
- Interact with clients, vendors, and employees to execute requests within the accounting area
- Assist in the quarterly and year-end audit and tax filings with the team and the auditors
- Assist with internal and external audits
- Prepare project cost reports
- Contribute to process improvements for financial reporting/planning and cash management and contribute to integration and upgrade of our financial systems.

QUALIFICATIONS AND EXPERIENCE

- Minimum 1-2 years experience in accounting and finance, preferably in a publicly traded multi-currency company
- Bachelor of commerce, finance, business or equivalent
- Understanding of IFRS in relation to accounting and inventory
- Experience with cost accounting or budgeting is considered an asset
- Experience and proficient with Excel and ERP systems required.

Preferred Skills:

- Chartered Professional Accountant (CPA) considered an asset
- In this position the incumbent could be expected to travel to other entities with Kraken.
